Emergency AED Locations

The School District of Washington has an Automated External Defibrillator (AED) in each school. The AED is located in a white cabinet with a sign above or below stating AED. Please orient yourself to this upon arrival into the building. The location of the AED is as follows:

<u>School</u>	<u>Location</u>
Augusta	Left wall inside gym door
Campbellton	Left wall outside gym, across from office
Clearview	Right wall outside gym doors, across from office
Early Learning Center	Enter main entrance, turn right down hall. On right by nurse's office
Labadie	Left wall inside foyer of school by gym doors
Marthasville	Right wall outside gym doors, by office
South Point	Left wall outside gym doors
Washington West #1	Wall next to office between windows
Washington West #2	Right main hallway off of hub
Washington Middle School	Wall between restrooms and cafeteria
Washington High School #1	Outside of Assistant Principal's, Activities Directors' office across from CJB
Washington High School #2	West Wing office doors on right wall
Washington High School #3	Nix Cafeteria near tray return
Washington High School- Athletic Department	Portable device stored in trainer's room in big gym
Four Rivers Career Center	Right wall after entering front doors

The protocol and procedures for use of the AED are located in the AED cabinet. When the AED cabinet is opened an alarm will sound; the key to shut off the alarm is located on the AED bag. **Be sure to have someone call 911 immediately.**

The authorized groups using District facilities knowingly assume any responsibility in the use of the AED. It's the authorized group's responsibility to have trained individuals use the AED. Untrained users of the device will not be covered under the immunity provision of Section 192.092 RSMo but may qualify for immunity by Section 537.037 RSMo ("Good Samaritan Act").

The undersigned confirms that all members of the authorized group to use District facilities (after school hours) have been informed regarding the protocol, location, and liability of the Automated External Defibrillator (AED).
